STP SCHEME

The STP Scheme is a 100% export-oriented scheme for the development and promotion of exports using communication links or physical media. As a unique scheme, it focuses on the government concept of 100% Export Oriented Units (EOU) and Export Processing Zones (EPZ) operating elsewhere in the world. The unique feature of the STP scheme is to enable them to conduct exports operations at a pace commensurate with international standards.

SCHEME BENEFITS & HIGHLIGHTS

- Approvals are given under single window clearance system.
- An STP unit may be set up anywhere in India.
- Jurisdictional STPI authorities can clear projects costing less than Rs.100 million.
- 100% foreign equity is permitted.
